Washoe County Strategic Objective supported by this item: Economic development and diversification.

### PREVIOUS BOARD ACTION

No previous action.

### BACKGROUND

Ryan Cherrick and Joshua Nichols, dba Branded Hearts Distillery, Inc., have applied for a State of Nevada Manufacturer's Craft Distillery License to operate an intoxicating liquor distillery at 121 Woodland Avenue, Reno, Nevada (APN 212-050-04, corner of Woodland Avenue and Sugar Pine Court) (see Attachment A). The State application is

AGENDA ITEM # 8G1

dated October 29, 2014, and the Washoe County business license application (for processing the State application) is also dated October 29, 2014.

Since the proposed business will be located in the City of Reno, the applicants have applied for a general business license and a liquor license from the City of Reno. The City of Reno application describes the business as the “distillation, aging, bottling and selling of alcoholic spirits “(AB 153) – Wholesaling only”. The City of Reno’s planning staff noted that the property is zoned MU/W4TC, that the bottling area cannot exceed 10% of the floor area, that the proposed use qualifies as indoor manufacturing, that no mechanized assembly for bottling will occur (gravity fed), and that no special use permit is required.

The business is not located within the unincorporated County and, as the writing of this staff report, will neither sell nor distribute intoxicating liquor to wholesale dealers within the unincorporated County. As such, pursuant to WCC Section 30.3333(2)(e)(4), the company is not required to obtain either a Washoe County business license or a Washoe County intoxicating liquor license. In the future, should the company decide to sell to wholesale dealers located within the unincorporated County, then the company must obtain the appropriate Washoe County licenses. An FBI/State criminal history background inquiry is also not required of the partners based on WCC Section 30.3333(4). However, pursuant to WCC Section 30.3333(2)(f), the partners must disclose information pertaining to criminal convictions and moral character as required by NRS 369.190.

NRS 369.190(3) and WCC Section 30.160(1)(b)(1) specify that the County Commission “require satisfactory evidence that the applicant is a person of good moral character” when reviewing and approving a State of Nevada Manufacturer’s License application. Both applicants, Ryan Isom Cherrick and Joshua Keith Nichols, completed the required *Liquor License Personal History* form and replied in the negative to any criminal convictions in the past 10 years or to any revocations of either a liquor license or work permit. Both applicants also completed a *Child Support Compliance Statement/Exemption Form* and attested that neither is subject to a court order for the support of a child. Both applicants also attested that the company (Branded Hearts Distillery, Inc.) is exempt from the child support compliance regulations as a multiple shareholder company. Based on the information provided on these two forms, staff has determined that the applicants are of “good moral character” and are suitable to hold the State license under the provisions of State Law and County Code. Copies of both sets of forms contain personal information, so are not included in this staff report but are available to the Commission upon request.

Since the business is not located in the unincorporated County and will not sell intoxicating liquor to wholesale dealers within the unincorporated County, only the separate administrative processing fee for the State license application before the Washoe County Board of County Commissioners is required. The applicant paid the required \$50 administrative processing fee established in the *Master Liquor License Fee Schedule* adopted by the Board of County Commissioners.

NRS 597.235 outlines several requirements for operating a craft distillery in the State of Nevada. State law limits the total amount of spirits sold and transported to a licensed wholesale liquor dealer to no more than 10,000 cases from all the craft distilleries owned by a person in any calendar year [NRS 597.235(2)(b)]. State law also limits the total manufacture of spirits exported outside of Nevada to no more than 20,000 cases from all the craft distilleries owned by a person in any calendar year [NRS 597.235(2)(c)]. Finally, state law allows a craft distillery licensee to serve samples of the manufactured spirits on the premises, and to sell the manufactured spirits for consumption either on or off the premises with certain limitations [NRS 597.235(2)(d) & (e)]. Staff recommends that the requirements and restrictions established within NRS 597.235 be placed as recommendations on the Manufacturer's License application. If approved, staff will add the recommendations to the original copy of the State of Nevada Manufacturer's Brew Pub License application after it is signed by each County Commissioner and attested by the County Clerk.

### **FISCAL IMPACT**

As noted earlier, the applicant paid the required \$50 administrative processing fee (deposited in Washoe County liquor license revenues account number C105402-421200). There will be no other license fees collected by Washoe County for this business.

### **RECOMMENDATION**

It is recommended that the Board of County Commissioners approve a State of Nevada Manufacturer's Craft Distillery License application, with the following recommendations, for Ryan Cherrick and Joshua Nichols, dba Branded Hearts Distillery, Inc. and if approved, authorize each Commissioner to sign the State of Nevada *Application for Manufacturer's License* with direction for the County Clerk to attest the license application.

1. Branded Hearts Distillery, Inc. may not sell and transport more than 10,000 cases of spirits to licensed wholesale liquor dealers within Nevada and 20,000 cases of spirits for distribution outside of Nevada from all craft distilleries operated by the company in any calendar year.
2. Branded Hearts Distillery, Inc. must adhere to the serving of samples and sale of manufactured spirits limitations outlined in NRS 597.235(2).

### **POSSIBLE MOTION**

Should the Board agree with staff's recommendation, a possible motion would be:

"Move to approve a State of Nevada Manufacturer's Craft Distillery License application, with recommendations contained in the staff report, for Ryan Cherrick and Joshua Nichols, dba Branded Hearts Distillery, Inc. and if approved, authorize each Commissioner to sign the State of Nevada *Application for Manufacturer's License* with direction for the County Clerk to attest the license application."

## Supporting Washoe County Code Craft Distillery Licenses

### Washoe County Chapter 30 Intoxicating Liquor and Gaming Licenses and Regulations

30.160 Issuance of license by license division; denial for unsuitability; not renewing license; suspension; revocation.

1. The license division may grant or deny the application for an intoxicating liquor license or place conditions on a license to ensure compliance with this chapter and other applicable laws and regulations. A denial of a license must be based upon a finding by the license division that any applicant on any license or any licensee, whether an individual, partnership, or corporation, is unsuitable for the issuance of an intoxicating liquor license.

(a) Board issued liquor licenses. To better define the policy of the intoxicating liquor provisions of this chapter, the following persons are declared not to be suitable for the issuance of a liquor license:

(1) A person who has been convicted within the past ten (10) years of:

(i) A felony or other crime which under the laws of this state would amount to a felony.

(ii) Any crime of which fraud or intent to defraud was any element whether committed in this state or elsewhere.

(iii) Buying or receiving stolen property.

(iv) Unlawful entry of a building.

(v) A gross misdemeanor, or equivalent conviction in another state, or unlawful possession, use or distribution of controlled substances or dangerous drugs.

(vi) Illegal use, carrying, possession, or display of a pistol or other dangerous weapon.

(2) A person who has indicated intemperate habits by his past conduct, including a conviction during the five years preceding the date of application which involved the operation of a motor vehicle while under the influence of intoxicating liquor or controlled substances or dangerous drugs.

(3) A person under the age of 21 years.

(4) A person who has failed to disclose, misstated or otherwise attempted to mislead the license division or the sheriff with respect to any material fact contained in any application for a license.

(5) A person who has concealed or refused to disclose any material fact in any investigation or inquiry by the license division or the sheriff.

(6) A person who has been identified as being a member or associate of organized crime, or as being of notorious and unsavory reputation.

(7) A person who has been placed and remains in the constructive custody of any federal, state, county or city law enforcement authority.

(8) A person who has had a liquor license or work permit revoked or committed any act which is a ground for the revocation of a liquor license or work permit or would have been a ground for revoking his liquor license or work permit within the last ten years.

(9) A person who has willfully violated the provisions of NRS 369.630, as amended, pertaining to alcoholic beverage awareness programs more than 3 times in any 24-month period.

(10) A person whom the license division determines is not a suitable person, having due consideration for the proper protection of the public health, safety, morals, good order and general welfare of the inhabitants of the county.

(b) Department liquor licenses. In reviewing a department application for a wholesaler or wholesale dealer, importer, brewpub, brewery, or instructional winemaking facility license, the commissioners shall approve or disapprove applications.

(1) The commissioners shall examine all applications filed with it, and shall require satisfactory evidence that the applicant is a person of good moral character. If the applicant does not have a current and valid county intoxicating liquor license, or is not concurrently applying for a new county intoxicating liquor license, the applicant shall submit a statement listing any prior criminal convictions within the past 10 years.

(2) If an application is disapproved by the commissioners, the license division shall promptly return the license fee accompanying the application to the applicant.

(3) If the commissioners approve an application, the license division shall forward it through the applicant to the department, together with the commissioner's written approval thereof and the license fee accompanying the application.

(c) Pursuant to NRS 244.350, the license division will not issue an intoxicating liquor license to a place where, in the judgment of the license division, the sale or disposition may tend to create or constitute a public nuisance, or where by the sale or disposition of liquor a disorderly house or place is maintained.

2. Upon submittal of a verbal or written complaint of any person, the license division shall investigate the action of any licensee under the intoxicating liquor provisions of this chapter, and shall submit a report to the board detailing its findings. The board may then, upon its own motion, recommend the temporary suspension or permanent revocation of a license in accordance this chapter. Further, any license issued pursuant to the provisions of this chapter or any amendment thereof may be suspended, revoked, or not renewed for good cause. Good cause for such suspension, revocation, or not renewing includes, but is not limited to:

(a) The existence of unsanitary conditions, noise, disturbances and other conditions at, near or on the premises which cause or tend to cause or create a public nuisance or which injuriously affect the public health, safety or welfare;

(b) The commission of, or permitting or causing the commission of, any act in the operation of the business which act is made unlawful or is prohibited by any applicable law, ordinance, rule or regulation of any city, the county, the state, or the Federal Government;

(c) Fraudulent practices or misrepresentations in the operation of the business, or concealment or misrepresentation of a material fact in procuring the license;

(d) Knowingly permitting the licensed premises to be frequented by or to become the meeting place, hangout or rendezvous for known prostitutes, vagrants, persons described as undesirables in liquor operations or those who are known to engage in the illegal use or distribution of controlled substances or dangerous drugs or in any other illegal occupation or business. Any licensee permitting such conditions on the licensed premises may be subject to provisional suspension of his intoxicating liquor license pending elimination of the indicated violation. Proceedings for revocation of an intoxicating liquor license shall be initiated if the licensee fails to eliminate a violation of this subsection by taking affirmative corrective action within 10 days after the date of written notice of the existence of any such condition or violation;

(e) Willful violation of the provisions of NRS 369.630, as amended, pertaining to alcoholic beverage awareness programs more than 3 times in any 24-month period;

(f) If the licensee receives three or more notices of violation or civil penalties pursuant to chapter 125 in any 24-month period;

(g) Violation of any of the terms or conditions of the license;

(h) If the licensee sells liquor to a wholesaler or retailer who is not a holder of a proper license or permit in conformance with this chapter at the time of sale;

(i) If the licensee violates or causes or permits to be violated any of the provisions of this chapter;

(j) If the licensee commits any act which would be sufficient ground for the denial of an application for a license under this chapter.

3. Upon failure to tender any required fees for a period of 30 days after the due date, the license shall be automatically suspended without further notice or proceedings.
